

2021 Vet List Works Mountaineer Racetrack

1. Per WV Rules of Racing Rule 178-1-52.3.d.2, the requirements to be removed from any Vet List include:
 - a. Published work of a minimum distance of 4f at 0:52 or better to be observed by a WV Racing Commission Veterinarian including a post-work exam.
 - b. **NEW RULE for 2021:**
Prior to such work a declaration of soundness in writing must be provided by the attending (private) veterinarian to the WVRC veterinarian. Letter must include signature/name/telephone number for the attending veterinarian.
 - c. If a horse is on a Vet List and has been off more than 150 days then the 150 Day Layoff Form must also be submitted.
 - d. Post work blood sample to be drawn dependent on the request by the jurisdiction that placed horse on its Vet List.
2. All Vet List Works must be **SCHEDULED IN ADVANCE** by contacting WVRC veterinarian Dr. Lori Bohenko
Email: lori.l.bohenko@wv.gov
Cell Phone: 304-281-4553 (text/leave voice message)

(REMEMBER: The horse must be examined for soundness by your private attending veterinarian BEFORE the Vet List Work is scheduled)
3. Do not expect the horse to be removed from the Vet List on the same day it works for the WVRC Vet. Time is needed for Bloodwork to be processed and/or to contact the Vet in the jurisdiction where the horse was placed on the Vet List.
4. Until the Meet starts there are no set days for Vet List Works.
5. Work Dates for April are:
 - a. Monday April 12, 2021 and
 - b. Monday April 19, 2021
 - c. May dates: To Be Announced

Leave a message: Dr. Bohenko will contact you to confirm the Day/Time.
