

Mountaineer Revised Requirements for Stable Gate Entry

(Effective April 16 thru May 31, 2024)

1. ALL incoming horses will be required to have the following documentation to enter the Stable Area each time they enter the grounds:
 - a. Inbound Horse Form which will include:
 - i. Morning temperature logged for each horse on day of entry
 - ii. Point of Origin (specific farm name or racetrack)
 - b. Daily Temp Logs for 5 days prior to Entry (must be presented when requested by officials)
 - c. 5 Day Health Certificate/CVI with Temperature recorded by the issuing Veterinarian
 - i. 5 Day Health Certificate Waived for Local WV Farm Horses within 25 mile radius of track and that have been previously PCR tested
 - d. 12-month EIA/Coggins Test Certificate
2. PCR Test Requirements for Horses entering Stable Area will be dependent of Horse Point of Origin and reviewed by WVRC State Veterinarian prior to entry. Please refer to the separate Mountaineer Health Requirement Chart which outlines the requirements.
3. Restricted Horses:
 - a. No horse stabled at/originating from Thistledown Racetrack will be allowed to enter and race at Mountaineer.
 - b. No horse that last raced at Mahoning during January thru April 2024 will be allowed to enter and race at Mountaineer unless it has been previously PCR tested.
4. The Health Team inspections have been suspended. There will be random visual checks for any Ship-In horse in stable area.
5. Stable Gate Hours are no longer restricted. Horses can enter/depart at any time the stable Gate is open:
Dark Days 6:00 am – 6:00 pm
Race Days 6:00 am – 12:00 am Midnight
6. All Horsemen are to use their Assigned Stalls only. The Receiving Barn will be used ONLY by horses shipping in from outside the region. Stalls will be assigned by the Stallman for all Ship-Ins.
7. These Guidelines will be reviewed in 30 days.
8. Failure to follow these guidelines will result in sanctions by the WV Racing Commission Board of Stewards.
